***Our patented brake is right at your fingertips. This allows you to completely stop the flow of film and achieve the tightest wrap needed.***

***This Aluminum Dispenser*** helps you wrap pallets of every size and shape, from the floor up to 8' high.

The long-handle design keeps the worker in a natural, upright position. This reduces back and work-related injuries.

The innovative patented brake system with tension control ensures tighter reliable pallet wrapping.

Modular components make for quick exchange from empty to full wrap rolls.

This product is made in the USA, and ships from many of our worldwide distributors via UPS.

### ***Advantages***

- Tighter wrap reduces freight damage and claims
- Self-oiling components
- Adjustable Tension control

### ***Specifications***

- Length - 60" Weight - 3 lbs.
- Use with 11"-20" rolls of film
- Use with various stretch films:-  
Cast,  
Blown, Pre-stretch, Netting
- Boxed: 48"x4.5"x4.5" 4 lbs.

Adding a Mandrel upgrades the standard NWD dispenser to accommodate coreless wrap.

Available for cored film.

- NWD-1 (3" core )
- NWD-2 (2" core)
- NWD-3 (WinnWrap® core)
- NWD-4 (1.5" core)

# CORELESS NWD

Remove the **core** problem! 

## ***This Lightweight Coreless Dispenser***

helps you wrap pallets of every size and shape, from the floor up to 8' high.

This Heavy-duty aluminum dispenser implements a patented brake system to ensure a tighter reliable wrap.

This long-handle design keeps the worker in a natural upright position, reducing back and work-related injuries.

When your wrap roll has no cardboard core, you have no cores to recycle, saving on waste hauling and cleanup.

This product is made in the USA, and ships from many of our worldwide distributors via UPS.

## ***Advantages***

- Tighter wrap reduces freight damage and claims
- Self-oiling components
- Adjustable Tension control

## ***Specifications***

- For 11"-20" rolls of coreless film
- Boxed size: 48" x 4.5" x 4.5"
- Boxed weight: 6 lbs.
- 60" long
- 5lbs.

Adding a Mandrel upgrades the standard NWD dispenser to accommodate coreless wrap.

Available for 3" or 2" coreless film.
